## Matthew Priddis CSA Football Academy

Due to the outstanding success of the CSA Matthew Priddis Football Academy, we have decided to assist the attendees by way of hosting the Academy in a pre-season football environment. This will give more opportunities to the football hungry youngsters.

This will also assist in allowing for more AFL players to attend and co-host in the hands on training.

We have allowed all those who participated in the last two sell out Academies to apply as well as any new aspiring AFL player to enrol ASAP.

The new format below, will give the aspiring young AFL attendants the chance to kick a few goals on and off the field before the commencement of their local or school football season.

CSA represents over 50 of the best AFL players and a host of these players will be in attendance to put these young players through their paces, giving them the best AFL guidance you can receive.

### 2011 Matthew Priddis CSA Football Academy Format

#### WEEK 1

- AFL - AIS Draft Fitness Test Simulation
- Body Measurements
- AFL Coach Seminar
- AFL Recruiter Seminar
- Dietician
- AFL Sports Science Lecture (conducted at UWA, Nedlands)

#### WEEK 2, 3 & 4

- Football Training on Tuesday nights at McLean Park, Floreat

We limit the Academy attendees exclusively to 40, this will allow the attendees to get the best one on one attention from the AFL players.
