Message from the President

I extend a warm welcome to past and new players and families of the Marist Football Club in the lead up to the 2010 football season.

The committee has been extra busy throughout the off-season to prepare for an exciting year. Additional initiatives the year include;

- for the first time the Marist Football Club shall be participating in the Super 8's league so that the predominantly grade 3's age group have an active lead into modified rules football.
- a combined Marist Football Club 12's team is to play at half time at the MCG on 5th June 2010 thus continuing the tradition set by earlier 12's sides.
- we are introducing new refined Marist Football Club jumper designs and new customised Marist Football Club playing shorts for the modified and senior player age groups

In addition we shall host our annual ever popular events including the annual Gala Night footy under lights, Sponsors & Life Members Day, Rock & Roll Night, Race Day, Quiz Night and the end of season award nights.

This follows in the wake of a memorable 2009 whereby the Marist Football Club achieved much both on and off the ground. On the field 3 of our senior teams appeared in grand finals resulting in premierships for both the 13's and 15's sides, whilst the 17's came within 1 point of glory in a fantastic game. The Marist Football Club again increased its membership and preserved its highly regarded status within the Claremont Football Club district, renowned not just for junior football development but also for our superb facilities and social events that are unique to this club.

With registration day fast approaching I look forward to seeing you down at the club and encourage your continued support for the ongoing success of the Marist Football Club.

Kelvin Reynolds

New and past players are invited register for the coming 2010 season on **Sunday 21st Feb, 2010 between 9.00am -12.00noon** at the Newman College Sports Complex. Registration fees for 2010 are listed below;

Auskick

\$120 - includes an Auskick Pack containing heaps of goodies including a new footy.

Modified

\$150 - includes a new club tee-shirt, a cap and new custom Marist football shorts.

Youth

\$170 - includes a new club tee-shirt, a cap and new custom Marist football shorts.

For further details and to download your registration form visit:
www.maristfc.com.au

NEW JUMPER DESIGNS

The committee considered various new jumper designs that would maintain our heritage and be unmistakably Marist. These will be revealed with the new Super 8's teams and with other sets that were in need of replacement this year. In addition we have ordered all new custom Marist game day playing shorts. No where not going to show them to you yet... wait for the next issue.

MARIST TRAINING JUMPERS

On registration day we shall be selling old Marist footy jumpers at give away prices... a range of sizes are available and many are still in good condition... *first in, best dressed!* Great for training.

MOUTHGUARDS

On registration day you can order your custom dental mouthguard in a range of colours at a highly competitive cost. A qualified practitioner will be on site taking casts. The Marist Football Club adopts the policy **"...no mouthguard, no play, no exceptions..."**

SPONSORSHIP

The Marist Football Club has significantly contributed financially to the development of the Newman College Sports Complex and to its continued improvement over the years. Annual registration fees are virtually cost neutral with the operation of any local sporting club.

In 2010 to date, the Marist Football Club has contributed to cost of air-conditioning the Newman Sports Complex. We have also ordered \$10,000 worth of new playing jumpers to replace old sets and new custom Marist football shorts, in addition to new equipment. We have various new and ongoing capital expenditure projects under consideration pending funds.

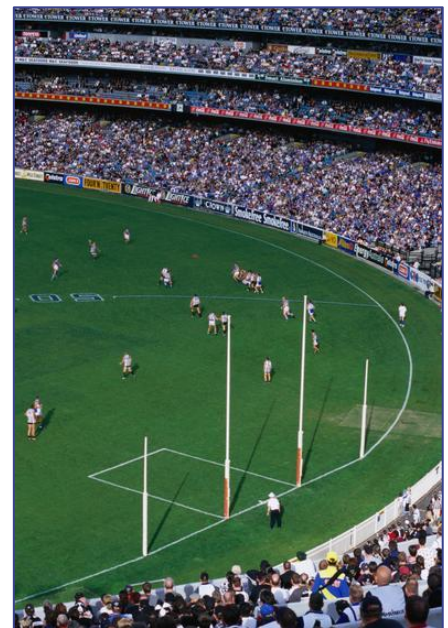

As the Marist Football Club is the largest junior football club in the Claremont football district, sponsorship is a great way to achieve local community awareness and recognition. Please consider supporting the Marist Football Club and also pass this information onto anyone you know who maybe interested in sponsoring the club. We offer various sponsorship packages that are very affordable. For further details regarding sponsorship opportunities contact;

Phil Kavenagh 0417 173 546 or kavenagh@tpg.com.au
Steve Liaros 0417 997 326 or se.liaros@bigpond.net.au

Visit the sponsorship link on: www.maristfc.com.au

SHOWDOWN AT THE MCG

The real match at the MCG on 5th June will be at half time when the Marist Football Club will be represented by some of our 12's players. Past expeditions by Marist teams have proved a great success and the camaraderie formed amongst the players and the parents survives many years. This is a once in a lifetime opportunity for the kids and we wish them well. As this will be self funded by the players' families we ask that you support their fundraising activities.

LAST YEARS BOOTS RECYCLE

If last years boots are still in good condition why throw them away. Please clean them up & tie them together and bring them to Registration Day. New younger players have the benefit of using them and surplus boots can be donated to those in need.

Meet the Coach

This issue we profile one of our long standing popular and respected coaches Matt Hardisty who was rewarded with a premiership pennant with his 13's Black side last year which he has coached since first in the modified league.

Full Name:

Matt Hardisty

Nickname:

Hardy, but you might have to check with the players – more probably 'Grumpy'

Favourite food:

Seafood/Indian

Favourite music:

Pretty much anything apart from "doof-doof" music.

Favourite pastime:

Surfing (Mick Fanning has nothing to worry about)

Last time you actually played football:

Too long ago to remember

Favourite position when you played:

Centre

Rate yourself out of 10 as a player:

In my dreamtime – a bloody legend; In reality – a 'work in progress'

Coaching Arch Nemeses:

Dan Volaric – Marist Blues

Rising Stars

Check out www.maristfc.com.au for additional news on ex-Marist players that have or are performing at AFL or WAFL level.

Travis Colyer is the latest ex Marist Player to be drafted into the AFL. On 26 November 2009 Travis was taken at pick 26 by the Essendon Football Club. Travis has been allocated number 32 at Essendon. Travis played all of his junior football for Marist between 1999 and 2007 covering a total of 8 seasons

Garry Moss played his junior football at Marist Football Club before playing with East Perth and thereafter being drafted by Hawthorn in 2007. He made his and impressive AFL debut in 2009 followed by some regular appearances.

Pat McGinnity played all his junior football at Marist and was drafted by the West Coast Eagles in 2007. The 2009 season started brightly with Pat kicking super goal was a great result for Marist as this effort gained the Marist Football Club \$1,000 worth of new footballs. His AFL debut for the West Coast Eagles V Saint Kilda round 15 July 12 2009 was followed by some regular appearances.
