PRESIDENTS MESSAGE

The Marist Football Club is pleased to provide to all parents and players the following **2011 Sponsors guide**.

"The Marist Football Club boasts a membership exceeding 550 players that enjoy superior facilities to many local junior clubs.

This fantastic environment has been created over 40 years of commitment by past and present club officials and in no small part by our generous Sponsors.

The next major works project that Marist is embarking upon is ground lighting of the main oval, this will enable training and the potential for night matches.

Sponsorship will greatly assist with this venture. Please support those who support us."

Kelvin Reynolds
President 2011
