## WELCOME TO SEASON 2021

Marist continues to be an inclusive club delivering a football program with strong values and ethics to help young boys and girls in their development as football players and positive contributors to the community. The committee is working very hard behind the

scenes as we prepare for an exciting season.

Registrations are progressing well and we are still looking for players across all year groups for both boys and girls so please follow the links above to register.

## COVID 2021

Whilst we are extremely lucky in WA to have minimal impact from Covid, we want to ensure we all do the right thing to ensure we get a full season in 2021. This includes social distancing, sanitising and

complying to contact tracing by checking-in where requested.

The club will communicate our specific protocols as we get closer to the season.

## **GIRLS** GIRLS FOOTY REGISTRATIONS ARE OPEN!

I am very proud to be heading up the girls football this season for Marist FC. This incredibly important part of the club has had significant growth in numbers year on year, and 2021 is hopefully going to continue this trend with record numbers as well! It is a fantastic indication of the code and the support that this area has had in AFL over the past years.

We hope to have at least one or two teams in each of the multiple year levels this year and early indications are showing this will be possible. As per emails sent out, we will have caps on the numbers as the younger girls teams only have 12 on the ground, so get in quick

if you intend on registering. The girls have fantastic parent and other volunteer coaches to train them in the skills, rules and more importantly having fun with each other through the season.

Any questions, please contact me.

## **JUNIORS** JUNIOR FOOTY IS BACK!

Welcome to Junior Footy for season 2021!

This is my first season in the role having taken over from David Bornmann who did a fantastic job over the past three years.

Marist Junior footy is all about having fun, playing with your mates and learning the great game of Australian Rules Football. We are committed to player development and creating a strong team environment to ensure players enjoy their time at Marist.

If you haven't already, please register soon as we will be starting to put teams together in the coming weeks.

For queries about the junior footy program, contact:

The Marist Football Club is delighted to welcome **Argentum Consulting** onboard as a major sponsor for the 2021 season.

Argentum is the company of Marist parents Rob and Bron Petagna who love getting down to the club and watching their up and coming superstar son Matt play with his mates.

“I went to school at Newman College and volunteered for the West Coast Cowan Football Club so it’s great to be in a position to be able to sponsor Marist” said Rob.

“The club provides a great community environment for our families and is something our family was keen to support” he said.

As major sponsor, Argentum Consulting’s logo will appear across the club’s polo top which will be given to all players in the coming weeks. When asked what he thought of this, Matt Petagna said it was “pretty cool”.

Argentum is a boutique accounting practice based locally in West Perth, ideally suited for small to medium sized businesses looking for personalised accounting and tax service. See [www.argentumconsulting.com.au](http://www.argentumconsulting.com.au) and be sure to mention Marist FC to Rob if you’d like to know more.

## SUPPORTING OUR SPONSORS

A huge thankyou to all returning and new sponsors as without them we wouldn’t be delivering the exceptional program we do with the some of the best facilities in the district. If anyone is interested in sponsoring please contact Joe on [joe@cozmarketing.com.au](mailto:joe@cozmarketing.com.au)

## YOUR COMMITTEE

While the Marist Football Committee is dedicated to ensuring the administration of the club is handled professionally, looking after members and their families is a top priority.

If you have any queries please don't hesitate to contact the appropriate person listed below and they will endeavour to answer any questions or concerns. If they are unable to help you, they will give you the details of someone who can.

This year we welcome **Matt Thornberry**, our new Auskick Coordinator! We also welcome **Rachelle McCallum** who is our First Aid Officer.

The Committee is always in need of more members – all of the major roles have been filled but we are seeking general helpers to ensure the smooth and successful running of your child's footy experience. Please contact Matt Mazzuchelli at [president@maristfc.com.au](mailto:president@maristfc.com.au) if you are interested.
